RESEARCH EXPERIENCE

Thesis: Fake News and Moral Panic from a Rhetoric Viewpoint: Unraveling Societal Anxieties in the Digital Age

- **Research Objective:** Investigated the roots of collective anxiety over fake news, analysed its dissemination and industry responses, reflected on theoretical limitations, and explored governance and ethical dilemmas.
- **Research Method:** Based on the *Moral Economics Framework*, utilised literature research and multidimensional analysis (historical, technological, etc.) to examine the ethical issues of journalism under the influence of the attention economy.
- **Thesis Conclusion:** Fake news is essentially an information moral panic in the digital age. For traditional journalism to rebuild its authority through algorithms and the attention economy, it must focus more on information ecosystem governance under democratic values in the future.

INTERNSHIPS

Intern Journalist, 21st Century Business Herald

07/2025 - 11/2025

- **Topic Selection:** Pitched 48 daily topic proposals focusing on AI, technology, and business, subsequently leading the news gathering and editing processes for confirmed stories.
- **News Production:** Authored 8 news reports, independently covering the entire process of production, from research and information gathering to securing interviewees, drafting interview outlines, and finalising video and press release edits. The news reports were published on 6 WeChat official accounts and WeChat video accounts, Weibo, TikTok, Xiaohongshu, www.21jingji.com, attracting 180,000 views. The news "False Advertising in Food Delivery Battle: No Dine-in, AI-Mass-Produced Store Images" received 50,000+ (highest) views and comments.
- **Official Account Operation:** Designed editorial layouts for the official website, edited video clips for the official social media account, optimised content scheduling and topic curation based on audience analytics. Pioneered an innovative review video format, resulting in a 21% increase in viewership and user engagement.

Marketing Communications_Intergrated Marketing PR Intern,

Hill & Knowlton (China) Public Relations Co., Ltd Shanghai Branch

03/2025 - 06/2025

- **Public Opinion Monitoring:** Managed comprehensive public opinion monitoring for MSC (*Mediterranean Shipping Company*) across all Chinese media platforms, compiled and synthesised weekly reports, translating negative opinions on catering, accommodation, and service quality into actionable insights to inform brand optimisation and support the summer sales campaign. Developed an SOP (Standard Operating Procedure) for brand public opinion analysis, covering monitoring tools and content classification priorities, to improve the efficiency of future analysis.
- **Public Opinion Solutions:** Conducted semantic analysis of consumer discourse surrounding the "Sofy Sanitary Napkin 3.15 Public Opinion Crisis", identified key stakeholder concerns, and orchestrated a phased solution (response-recovery-long tail) for the brand within 24 hours of crisis emergency.
- **Communication Planning:** Conceptualised creative content for a cruise travel documentary script based on MSC's brand requirements and preliminary target audience research; assisted in recruiting cast, managing the documentary's

multi-platform dissemination strategy, which included developing cooperation plans with Key Opinion Leaders (KOLs) across TikTok, Xiaohongshu (Rednote), Weibo, and WeChat.

Directing Intern, Hunan Mgtv.com Interactive Entertainment Media Co., Ltd.

07/2024 - 09/2024

- **PR & Communications:** Wrote 3 promotional articles for the proposal competition, and distributed them through the official account and company intranet to raise employee involvement and encourage submission participation. Garnered over **3000** proposals spanning commercial products, user acquisition strategies, and short drama concepts, achieving the **highest submission rate** in company history.
- **Competition Planning:** Streamlined proposal collection process, mapped the roadshow framework, and categorised and distilled over 3000 proposals, improving the review efficiency and evaluation workflows.
- **Project Coordination:** Delivered cross-department communication using **Gantt charts**, coordinated the contestants, publicity team and equipment team, and ensured the successful completion of the roadshow with no mistakes.
- **Event Execution:** Liaised with suppliers regarding venue design ideas and supervised venue construction; Provided key guidance and coordination for artists, leaders, and media teams during Mango TV's anniversary celebration.

EXTRACURRICULAR ACTIVITIES

Event Assistant Volunteer, Harvard Summit for Young Leaders in China

08/2025

- **Event Planning:** Selected as an EA volunteer through highly competitive application process(**5% admission rate**) and led the planning of the summit's **Flagship Talent Show** featuring student performances. Orchestrated a **10-member team**, managing all logistical aspects including the audition process, judge invitations, and venue confirmation. Authored a comprehensive Standard Operating Procedure (SOP) to streamline the planning of future events.
- **Live Production & Direction:** Directed pre-event rehearsals, provided performance adjustment suggestions, and arranged the show lineup and run-down. Coordinated cross-departmental operations, including multimedia production, lighting display, and backstage operations, promptly addressed onsite emergencies. The talent show was voted the "**Most Popular Event**" by the student attendees.
- **Hosting & Leadership Development:** Served as the host for the summit's closing ceremony, addressing an audience of **400+** delegates. Mentored fellow event presenters in advanced hosting techniques including pacing strategies, audience engagement, and vocal projection, receiving consistent praise for hosting capability.

Outstanding Alumni Interview

03/2025 - 05/2025

- **Interview Communication:** Designed interview outlines and shooting scripts based on audience research and interviewee communication, interviewed outstanding alumni as the host, and facilitated them to share their entrepreneurial experiences and insights.
- **Direction and Coordination:** Acted as the director to coordinate the efficient collaboration of a team of 5 members (cameraman, editor, prop master, etc.), crafted a **40-minute** documentary dropped on the university's official website and WeChat official account, thereby connecting students with entrepreneurial resources.

Director, Critical Mathematical Drama Project

09/2022 - 11/2023

Project Title: Creation and Promotion of Mathematical Dramas

Fund Number: 12126506, National Natural Science Foundation of China

Supervisor: Pan Liu

- **Stage Coordination:** Spearheaded drama conceptualisation, actor allocation, and stage aesthetics; curated cross-functional teams of 10+ to stage **8** school performances spanning **5** cities.
- **Creativity:** Contributed to the scriptwriting and rehearsals for an original campus drama, integrating mathematical knowledge into engaging storytelling about mathematicians to inspire audience interest in mathematics.
- **Drama Promotion:** Composed promotional articles for the drama and designed consistent visual styles. The articles were selected for interviews by the university's Party Committee, effectively enhancing the project's influence.

Additional Information

- **Language Proficiency:** Chinese (native), English(7.0)
- **Office Software:** Word (document editing and formatting), Excel (data analysis and formula application), PowerPoint (business presentations and visualisation design).
- **Creative Toolkits:** CapCut, Premiere Pro, Photoshop, Canva, Xiumi (for WeChat official account article design).
